2024 Property Tax/Rent Rebate Program **NOW OPEN**

The application period for the state's 2024 Property Tax/Rent Rebate Program is now open for eligible Pennsylvanians to begin claiming rebates on property taxes or rent paid last year.

Income limits increased again this year to \$46,520 for both homeowners and renters. This is due to a 2023 law that calls for adjusting the income limit based on annual increases in the Consumer Price Index. Remember to exclude 50% of Social Security when determining your income. The maximum rebate is \$1,000.

The program is open to residents aged 65 years and older; widows and widowers 50 years and older; and people with disabilities 18 years and older.

Remember — you do not need to pay anyone for assistance to apply for the rebates. Apply online at [MyPath.PA.GOV](https://www.MyPath.PA.GOV) or contact my office for help.

More Retirees Eligible for Reduced-Fee Vehicle Registration

A new state law to allow more Pennsylvania retirees to qualify for a reduction in their vehicle registration fee is now in effect.

The benefit now will be available to retired persons earning up to \$29,906, an increase of more than \$10,000 from the prior income eligibility limit. Those who qualify will pay an \$11 processing fee to register their vehicle each year, rather than the standard \$45 registration fee.

Qualified applicants must be retired and receiving Social Security or other pension payments. Please note, 100% of a veterans' benefit payment or payment to the unmarried surviving spouse, upon the death of a veteran, should be excluded from the income calculation.

The applicant must be listed as an owner on the vehicle's registration and only one vehicle per qualified applicant may be registered for the reduced fee. Qualifying vehicles must be a passenger car or truck with a registered gross weight of not more than 9,000 pounds.
